

RMB FUELS PUMA ENERGY FOR HIGH PERFORMANCE

THINK CIB.
THINK RMB.

RMB acted as mandated lead arranger and active bookrunner for Africa in the financing of a US\$1.25-billion revolving credit facility for Puma Energy. Rand Merchant Bank's long-standing relationship with Puma Energy and our ability to network and connect with institutions throughout the continent secured our position as mandated lead arranger and active bookrunner for the international fuel storage, transportation and refining company. The revolving credit facility will enable Puma Energy to expand and develop their network throughout Africa and the world.
